

# LEADERSHIP AND MANAGEMENT (MA)

---

Organizational success depends on the efforts of skilled managers and leaders to properly leverage influence. The Master of Arts in Leadership and Management guides students to focus on helping businesses thrive as healthy organizations by paying attention to the human and social interactions of each member. This graduate program emphasizes ways to balance business skills and inter-social relationship skills so leaders and managers can maximize their influence and motivate organizational members to find meaning and purpose within the organization's mission, vision and purpose. The coursework is sequential and offered in a blended or online format.
