

PSYCHOLOGY MAJOR (BA ADULT; ONLINE ONLY)

This program takes a contemporary approach to psychology methods and prepares students for a modern health environment through comprehensive and rigorous curriculum as well as an 8-credit hour internship that offers practical field experience. The accelerated learning experience puts students on track for career advancement sooner and provides a solid educational foundation for continued education in graduate school.

General Education Requirements

All degree seeking undergraduate students must complete the general education (<http://catalog.csp.edu/archive/2019-2020/undergraduate/academic-information/general-education-requirements>) requirements.
