

COACHING AND ATHLETIC ADMINISTRATION (MS)

KHS 620	Master's Capstone	3
Credits		15
Total Credits		33

The MS Coaching and Athletic Administration degree prepares students to become coaches and athletic administrators. Students will gain greater insight regarding athlete scouting and recruitment, coaching principles and athlete motivation, and sport-specific nutrition and training programs. Students will also apply business principles to coaching and athletic administration, including budgeting, fundraising, and sales. Students will develop their personalized coaching philosophy as they focus on their leadership as a coach and athletic administrator.
