

# DATA ANALYTICS (CERTIFICATE)

---

Data analytics skills are increasingly necessary in tech-focused, agile organizations today. The Data Analytics Graduate Certificate from Concordia University – St. Paul is designed to provide students with necessary skills in data analytics. Learn the methods for data visualization and analysis delivered by instructor's from various industries creating a rich, diverse experience for students from any discipline. Students have the ability to analyze data for their own discipline or interest and credits from the certificate can be applied to the full MS Data Analytics degree.

This program is not eligible for Title IV funding at this time.
