

COMPUTER SCIENCE MAJOR (BS ONLINE ONLY)

This degree program covers the core topics of computer science such as programming languages, computer architecture, data structures, operating systems, database, web systems, and software engineering. The program is designed to prepare students for both graduate schools and careers in the tech industry. Students will acquire skills such as problem-solving, software engineering, web application, mobile app development, database design, and teamwork which are essential in the modern workforce.

General Education Requirements

All degree seeking undergraduate students must complete the general education (<http://catalog.csp.edu/undergraduate/academic-information/general-education-requirements/>) requirements.

Degree Requirements

Bachelor of Science (<http://catalog.csp.edu/undergraduate/academic-information/graduation-requirements/#bs>) degree consists of a major of typically 30 to 60 credits, general education courses, upper-level requirements, and elective courses totaling a minimum of 120 credits.
