General Education Requirements		6
HUM Course		
REL/THL Course		
Total Credits		98

CSP's pre-licensure nursing programs prepare students to take the National Council Licensure Exam (NCLEX-RN®), which is required for professional nursing licensing in all states. CSP BSN program graduates are eligible to apply to take the NCLEX-RN® in any state. States may require additional licensure application conditions including but not limited to background studies that may include fingerprinting. State specific professional nursing licensure requirements are accessible via the identified state's nursing board website.
