

# GENERAL EDUCATION REQUIREMENTS

## General Education Requirements

The purpose of the general education curriculum is to provide Concordia University students with the opportunity to grow in their ability to:

- discover, confront and explore unfamiliar information and ideas;
- use available academic resources and skills to think analytically, critically, and synthetically;
- use appropriate and current technology for research and problem solving; and
- ideally move beyond the academic data itself to formulate and express new insights and ideas.

## Fine Arts (Minimum 4 credits required; two courses from two different areas – Art, Music, and Theatre)

The fine arts curriculum increases students' awareness, understanding and critical appreciation of varied aesthetic expression; and seeks to foster their creative talents. Nursing (pre-licensure) students fulfill this requirement with 2 credits.
