

PSYCHOLOGY MAJOR (BS TRADITIONAL)

Select 16 credits of 300 or 400 level Psychology courses	16
Total Credits	79

The Bachelor of Science degree in Psychology encourages students to develop lifelong skills in scientific thinking and understanding human thought, behavior, and interaction. Classroom learning in combination with a research-focused internship experience will prepare students to enter a career of choice, medical school, or graduate school.

General Education Requirements

All degree seeking undergraduate students must complete the general education (<http://catalog.csp.edu/archive/2020-2021/undergraduate/academic-information/general-education-requirements/>) requirements.

Degree Requirements

Bachelor of Science (<http://catalog.csp.edu/archive/2020-2021/undergraduate/academic-information/graduation-requirements/#bs>) degree consists of a major of typically 45 to 60 credits, general education courses, and elective courses totaling a minimum of 120 credits.
