

EDUCATION WITH AN EMPHASIS IN ENGLISH AS A SECOND LANGUAGE (MA)

This program prepares educators to be highly effective professional decision-makers, reflective practitioners, and adaptive experts and to apply purposeful and dynamic strategies to empower all learners whose first language is other than English. Educators develop the insights, strategies, and skills to more effectively teach these school-aged children. Coursework focuses on language and society, history and principles of the English language, second language acquisition, and assessment.
