

EDUCATIONAL SPECIALIST (EDS)

This program is designed for educators with at least three years of teaching experience who currently hold a Master's degree and a valid Minnesota teaching license and who wish to become licensed as a principal or superintendent in the state of Minnesota while earning an Educational Specialist (Ed.S.) degree.

Note: An alternative path is available for non-licensed teachers (see course ED 7013 below). The Educational Specialist (Ed.S.) degree is designed to provide Minnesota schools with the highest possible quality principals and superintendents. ED 7013 Teaching Internship (4 credits): This course is required for Principal and Superintendent licensure candidates without three years of teaching experience. Candidates are required to complete this course as part of their Educational Specialist program. The course blends instructional learning and applied teaching experiences through a supervised internship.

Administrative License in States beyond Minnesota: Each state has different requirements for professional licensure and certifications. CSP's educator preparation programs are designed specifically to prepare students for licensure in Minnesota and are not approved by any other state licensing boards for licensure in those states. CSP is unable to determine whether its teacher preparation programs would meet the educational requirements for licensure in other states. #Students who want to work in a state other than Minnesota should contact the state licensing board in their state before enrolling in the program.##Please see the contact information for teacher licensing boards here (<https://publish.smartsheet.com/4dfcb6a0284545ee895980a8c8b71432/>).
