

ACCOUNTING MAJOR (BA ADULT)

The Accounting BA prepares students for accounting careers in business, government or non-profit organizations. The major builds upon a strong liberal arts foundation and prepares students for professional certifications such as the Certified Public Accountant (CPA) and the Certified Management Accountant (CMA). This program does not provide these certifications. Students interested in earning these certifications should check with their state's CPA or CMA education requirements.

General Education Requirements

All degree seeking undergraduate students must complete the general education (<http://catalog.csp.edu/archive/2021-2022/undergraduate/academic-information/general-education-requirements/>) requirements.
