

NURSING MAJOR (BSN ADULT)

This Bachelor of Science Nursing program (RN to BSN) is a post-licensure program for Registered Nurses designed to advance the knowledge and skills of nursing professionals through an integration of learning and experience. The combination of theoretical inquiry and practical application is integrated so that students can gain insight into ethics in health care, professional and evidence-based practice, interdisciplinary collaboration and communication, leadership, management, care coordination and community health. Upon completion of the program, students will be prepared to be leaders and lifelong learners who can adapt to developments in health care delivery and the diverse patient population.
