

PSYCHOLOGY MAJOR (BS TRADITIONAL)

The Bachelor of Science (B.S.) degree in Psychology at Concordia University, St. Paul, provides students with the opportunity to explore human behavior and cognition according to a rigorous social science framework. Features of this major include courses in human development, interaction, and physiology as well as biology, and genetics. Engaging, interdisciplinary course learning and applied experiential learning will help prepare students to enter a career of choice, graduate school, or medical school.

General Education Requirements

All degree seeking undergraduate students must complete the general education (<http://catalog.csp.edu/archive/2021-2022/undergraduate/academic-information/general-education-requirements/>) requirements.

Degree Requirements

Bachelor of Science (<http://catalog.csp.edu/archive/2021-2022/undergraduate/academic-information/graduation-requirements/#bs>) degree consists of a major of typically 45 to 60 credits, general education courses, and elective courses totaling a minimum of 120 credits.
