

# SCHOOL OF CONTINUING STUDIES

Concordia's School of Continuing Studies offers undergraduate general education and elective courses delivered in accelerated online formats. SCS courses are designed for students to earn credits toward their degree completion in a flexible format to meet the unique needs of online learners. Through these intensive courses learners can earn up to 36 semester credits in approximately one calendar year. There are no educational prerequisites to enroll in these classes and visiting students are welcome to enroll.

Accelerated general education courses allow learners to:

- efficiently obtain general study requirements to prepare for an accelerated learning program;
- develop skills to be successful in academic work;
- earn foundational credits for a liberal arts education; and
- work towards a college degree, regardless of geographic location or time.

## Course Delivery

Courses are delivered online. In the online accelerated classes learners collaborate with a community of peers through chats, discussion boards, and email.

## Course Selection

Participants will be teamed with an advisor who will assist in creating a class schedule that fits with the student's work and personal life.

## School of Continuing Studies Tuition and Fees 2024-25

Per credit hour	\$420
Auditing (per class)	\$175

## Associate of Arts Degree: Online

The Associate of Arts (A.A.) degree provides learners with general education credits from various academic disciplines delivered through online education. General education courses provide students with a foundation for critically examining the world from unique perspectives. These courses also help prepare students for the major courses in their bachelor degree programs.

The Associate of Arts degree program totals 60 semester credits.
