

# PRE-OCCUPATIONAL THERAPY

---

Students intending to apply for an occupational therapy graduate program can complete any undergraduate degree program. Completing a Biology B.A. (<http://catalog.csp.edu/undergraduate/majors/biology-ba-traditional/>) with a Psychology minor (<http://catalog.csp.edu/undergraduate/minors/psychology/>) would complete most of the necessary pre-requisite coursework. Additional relevant majors include an Exercise Science B.S. (<http://catalog.csp.edu/undergraduate/majors/exercise-science-bs-traditional/>) or a Biology B.S. (<http://catalog.csp.edu/undergraduate/majors/biology-bs-traditional/>)

Code	Title	Credits
These are generally required courses for entry into an occupational therapy graduate program. <sup>1</sup>		
BIO 315	Human Anatomy and Physiology I (4)	
BIO 316	Human Anatomy and Physiology II (4)
