Health Insurance

Starting with the 2019 coverage year, there is no longer an individual mandate for not having health insurance. Concordia University, however, encourages students to still carry their own health insurance prior to coming to campus. Concordia University assumes no liability for student illness or injury and no responsibility for medical bills and/or services contracted for or by students. It is the responsibility of the student to carry the insurance card at all times to have available in case of illness or injury.

Students and families that are concerned about health insurance should know that there are many options available to students. One option is for students to continue coverage under their parent's policy until the age of 26 or purchasing coverage through an insurance exchange. Another would be to utilize state health plans and coverage at <https://www.healthcare.gov/> or for Minnesota residents, MNSure.org.

Learning Services

Learning Services staff assists students in learning skills and strategies that help them achieve academic and personal success. Learning assistance is provided through individual counseling and through several credit-bearing courses.
